Creatista Uno™

Product Description:

The Nespresso Creatista Uno, a new addition to the Nespresso Original Line range, is an intuitive machine that allows you to create 8 barista-quality espresso and milk recipes at the touch of a button. It has a premium design and finishing to help personalise your favourite coffee occasion.

Create Café Quality Micro-Foam: Featuring a fully-automatic steam wand, the machine offers 3 levels of milk temperature and fast adjustments to create café quality coffee as well as beautiful latte art creations.

Convenience without Compromise: All the convenience of a Nespresso portioned coffee machine paired with sage's advanced micro foam milk technology. A technology brought for the first time to a portioned coffee machine.

Create Your Favourite Coffee With Ease: The Creatista Uno™ provides a simple user interface for coffee preparation, settings and maintenance aspects

Auto Clean Function: The automatic steam wand purges itself making for minimal clean up.
