Whirlpool freestanding front loading washing machine: 9 kg - FFB 9448 BEV CH

This Whirlpool freestanding Washing Machine features: white color. A spacious, large 9kg capacity. A fast, resource-efficient 1400 revolutions per minute spin speed. Exclusive 6th SENSE technology, that dynamically adapts settings to each specific load, ensuring ideal care for all your fabrics. Outstanding A+++ energy rating, effectively reducing energy consumption by 30%.

6th Sense Technology

Discover perfect care. 6th SENSE intelligent sensors adapt resources according to the size and type of load, offering savings of up to 50%* on energy, water and time. (*Comparison between maximum load and 1kg load on washer with 6th SENSE function and Cotton 60° program.)

FreshCare+

Keep your garments fresh after the cycle is over. Innovative FreshCare+ system takes care of your garments inside the washing machine with delicate steaming and tumbling action[i]. The new FreshCare+ system gently massages the laundry with regular slow movements alternated with steam actions - letting air circulate inside the fibers to keep garments fresh and prevent bad odours. FreshCare+ treatment leaves truly fresher clothes and peace of mind - even hours after the end of the cycle. [i] FreshCare+ treatment inhibits the proliferation of the main bad odour sources (inside the washing machine) up to 6 hours after the washing ends. Not compatible with programmes designed for delicate garments and duvets.

Steam Refresh

Steam Refresh regenerates the freshness of your garments avoiding unnecessary washing. Clothes are ready to wear again in just 20 minutes. The washer generates a flow of steam that penetrates into the fibers, removing unpleasant smells, relaxing fibers and smoothing creases.

Sense Inverter Motor

Silent performance. This Whirlpool Washing machine's innovative SENSE Inverter Motor is designed to ensure a long lasting, silent performance. Enjoy both ideal results and some extra peace and quiet.

1400 rpm

Outstanding speed. This Whirlpool Washing Machine features a 1400 rounds per minute spin speed.

Super Energy efficiency: A+++ -30%

Unparalleled energy efficiency. This Whirlpool Washing Machine features an outstanding A+++ energy rating, reducing energy consumption by 30%.
