Awesome Display

The 6.5" sAMOLED Infinity O display provides you with uninterrupted gaming and scrolling. Thanks to the super smooth 120 Hz refresh rate, the new Galaxy A53 5G takes your multimedia experience to a whole new level.

Awesome Camera

The new Galaxy A53 5G comes with cameras that inspire. The 64 MP main sensor camera with optical image stabilization provides even sharper photos and smoother videos. With the ultra-wide camera (12 MP), depth sensor camera (5 MP) and macro lens (5 MP), you have even more freedom to take breathtaking photos. From wide landscape shots to the finest details. Moreover, the high-resolution front camera (32 MP) lets you take the best selfies.

Awesome Performance

The 5000 mAh battery lasts all day long, and when it runs low you can give it a boost by recharging it in just a few minutes with 25 W fast charging. The 128 GB memory and 6 GB RAM ensure smooth performance, even with more demanding games. What's more, the Galaxy A53 5G is conveniently water- and dust-resistant (IP67).
