

SKU: SBL620SIL4PEU1

# the Fresh and Furious®

## Product Description:

With Kinetix™ contoured blade & bowl system lumps have nowhere to hide in the Fresh and Furious.

One touch programs for instant smoothies, green smoothies and ice crushing to make what is a rough start, a smooth finish.

**Even Blending Kinetix™ Performance:** Combines the functionality of a powerful blender with food processing tasks for versatility and convenience. Crush and chop to turn ice into snow, fold and aerate for creamy smoothies and soups

**Quiet & Efficient:** The blade design and high torque motor delivers quiet and efficient blending performance.

**Heavy Duty Blades:** Engineered surgical grade stainless steel ensures the blades stay sharp, longer.

**LED Display & Timer:** LED display counts up on speed settings and down for pre-programmed settings for complete control when blending

**1-Touch Versatility:** Illuminated Smoothie and Ice Crush pre-programmed buttons
